

MOUNTAIN OF FIRE & MIRACLES MINISTRIES USA

SUMMARY OF POLICIES & PROCEDURES

- ❖ **MANAGEMENT** – The management of all Mountain of Fire & Miracles ministries churches in the United State is centralized to facilitate uniformity in the operations and administration of local churches, to properly equip pastors and administrators with the needed tools and best practices in ministerial works, to provide training and networking events for the empowerment of the saints.
- ❖ **DECISION MAKING** – Decisions regarding contributions of tithe or towards special projects are made by consensus of the Assistant General Overseer (AGO), Senior Regional Overseer (SRO) and all regional overseers. Changes are only implemented by uniform agreement of all parties involved.
- ❖ **TITHES** – All MFM branches are required to contribute 20% of their total collection to the central account. Newly established branches are given 6-month exemption in order to mature into a fully functioning church. Remittances are due by the 10th of the month.
- ❖ **SPECIAL PROJECTS** – Sometimes, branches are required to contribute to special projects that are time sensitive for a limited time. The branches are currently donating their 2nd Sunday collection towards the first phase of construction of the USA headquarter building. This contribution is scheduled to terminate in May 2016
- ❖ **CENTRAL ACCOUNT** – All contributions received from MFM churches are deposited into the central account. The fund in this account is only used for expenses incurred in the United States. MFM Lagos Headquarter does not get any fund from this account. This fund is mainly and completely used in the United States to fund national programs and events, establish new branches, provide financial assistance to churches facing challenges, acquisition of real estate and building improvement.
